This brochure was completed prior to completion of project construction therefore details are indicative only and are subject to change. Purchasers must rely on their own enquiries and carefully review the plans and specification within the contract of sale prior to purchase. Hard and soft furnishings, white goods, planters and any items depicted are not included in the sale and are used for illustrative purposes only and may not be to scale. Total building area is calculated by measuring from the external side of the external walls. Where no external wall exists for the purpose of measuring building area, the builder assumes a straight line between the exterior of walls or columns. The developer reserves the right to substitute items as its absolute discretion with equivalent item/s when necessary (Eg: in situations of lack of available supply).
